

ATTENTION INSTRUCTORS!! COLLEGE STUDENT SEMESTER PASSES AVAILABLE

Developed in response to teacher requests, the **College Student Pass** is an affordable way for your students to visit and re-visit the Museum of Man, either as a supplement to a course of study, or as part of an assigned project or research paper.

With permanent exhibits on Ancient Egypt, the Maya, the Kumeyaay, and human evolution, as well as several changing exhibits, the Museum of Man is a great complement to your course.

College Student Passes are only \$7 each, allow students to visit the Museum galleries as often as needed, and are good for one semester or quarter, depending on the institution's schedule of classes.

College Student Passes must be purchased by the course instructor directly from the Museum Education Department.

(8:15 a.m.—4:45 p.m., Monday through Friday)
